

DIEGO ANTUNES PRESENTS IN THE

History of Pompéia

A background map of Europe is visible, overlaid with a grid of diamond shapes. The map shows various countries and cities, including Norway, Sweden, Finland, Denmark, Germany, France, Spain, and Portugal. The text is centered over the map.

AT THE BEGINNING

In the beginning, the city of Pompéia was divided into two properties which was divided by a river called rio do peixe. The city was called Otomânia, but with the arrival of the railway, the name was changed to Pompéia

Some multinationals

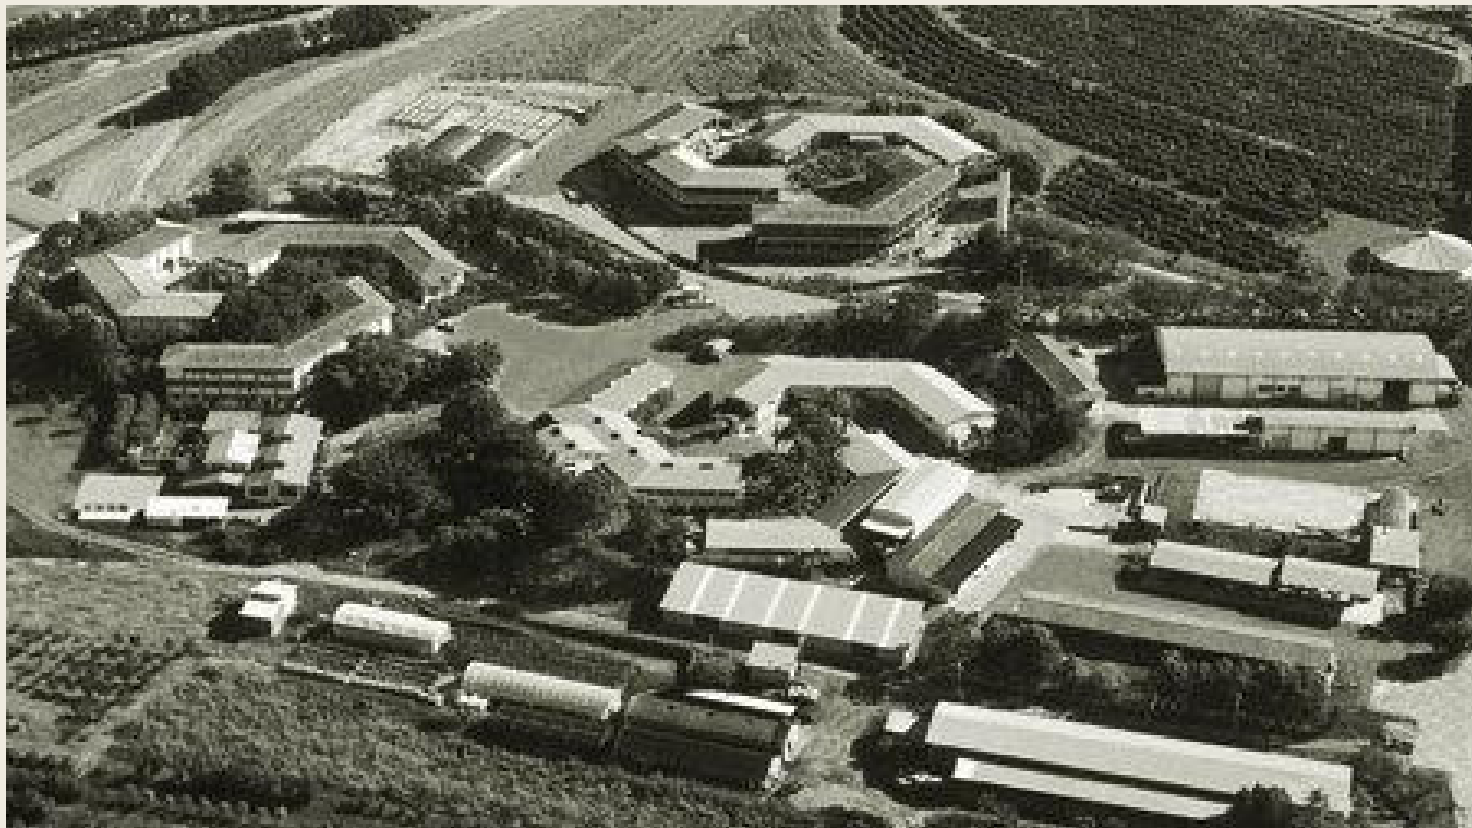

In the city we have some multinationals in the agricultural and food industry

BENEFIT OF LIVING IN POMPÉIA

Pompéia is a very quiet city to live **in**, has excellent technical schools and a college of agricultural technology

NEGATIVE SIDE

DON'T HAVE MANY LEISURE OPTIONS

Included leisure options
are in nearby cities
