

**An almost
real dream**

DEEP SLEEP

I dreamed I had gotten out
of bed and was getting
ready to go
to work...

“

I BRACED MYSELF,
BRUSHED
MY TEETH AND I WENT TO
WORK ...

Nossa melhor tradição.

ARRIVING AT WORK

Arriving at work talking to friends, I went to the information meeting and went to my place of work.

DESDE 1900

COMING HOME

Nossa melhor tradição.

I had a very productive day at work and
coming home I had the feeling ...

WHAT A STRANGE
FEELING

Free fall ...

I felt falling from a very high place, it felt like a free fall, I felt a cold feeling in my belly, falling to the floor, I woke up

SO I WOKE
UP

CRUEL REALITY

I had lost work time

My boss sent countless messages
asking if I wouldn't work.
